

## OFFICIAL OPENING FOR ST GEORGES PARK SHEFFIELD GRAVES

On 26th October we celebrated the official FA opening of our new football hub St. George's Park Sheffield Graves. This saw a number of local and national broadcast channels including Sky TV, BBC Breakfast, Talk Sport, BBC Sheffield and more visiting the facilities and covering interviews with representatives from the FA, Sheffield Council and parliament. Further interviews with those such as the interim England Manager Gareth Southgate, Footballer Gary Cahill and local junior football teams have highlighted the importance of these facilities for local communities and the future of football. A huge thanks and well done to the SGP team for hosting and managing this high-profile event!

### NEW STARTERS

### EDDIE HALL, BRITAIN'S STRONGEST MAN PAID A VISIT TO PULSE HQ

Last week Eddie Hall visited Pulse head office to meet the team and to see where the equipment he trains on is designed!

## BORINGDON HALL HAS BEEN LISTED AS THE SUNDAY TIMES BEST BRITISH SPA HOTEL

We recently completed an equipment install at the stunning 16th Century Hotel that sits on the edge of Dartmoor. The gym now boasts a range of CV equipment with the latest console, free weights and strength equipment. Having been open for just over a month, their brand-new Gaia Spa, which is the largest spa in the South West, has won the prestigious award as the Sunday Times Best British Spa Hotel.

## LAUNCHING THE PULSE FITNESS BRAND IN NIGERIA

Pulse are delighted to confirm we've appointed a dealer to launch the Pulse Fitness brand in the Nigerian market. Pulse's established European brand and core values as a family run company have cultivated a strong reputation and this exciting development will lay the foundation for Pulse to grow in the African market.

## PULSE INSTALLS EQUIPMENT FOR GOOD MORNING BRITAIN AND TIPPING POINT PRESENTER BEN SHEPHARD

Pulse are delighted to have installed a range of cardio, weights, interactive and functional equipment into Ben Shephard's own gym!

Club Pulse Goldsmiths management team were invited to Greece as part of the Pupil Health & Well-being project to share their knowledge and ideas on fitness training and introducing health initiatives into the education system.

### PULSE EMPLOYEE OF THE MONTH FOR NOV 2016

**We are delighted to confirm this month's winner is**

**Joanne Madey** – General Manager at SGPGraves for showing true dedication, professionalism and a vibrant engaging personality to ensure success in this new soccer venture whilst appeasing the needs of many hi-profile partners. No job has been too much trouble, even several live TV appearances at the official opening!

**This month's runner up is**

**James Convey** – Technical and Service Manager at Pulse HQ for supporting the sales team in a number of significant contract wins, pro-actively leading the PulseMove project to date and the coordination and management of many key stakeholders to ensure we have an excellent, modern and efficient connectivity solution.

**This month's finalists are**

**Lee Somers** – Service Manager Pulse HQ for bringing a customer centric approach to the service department and a can do attitude to resolve service issues as quickly and smoothly as possible when faced with a difficult situation. Lee's previous work experience and flexibility sees him cross-over and support other departments with ease.

**Ian Grocott** – Architectural Technician at Pulse HQ for his flexible and efficient attitude and the value he has brought to the fitness division in designing 100's of facilities each year promptly and accurately. Ian has been for many years and continues to be a true asset to the Pulse team.

Your monies, wine and certificates are on their way to you!

**Well done to all and keep up the hard work!**
